MATE

01

WHAT HELD?

Which bearing did you actually act on this week? Not the ones you wrote down. The ones you moved.

02
WHAT DRIFTED?

Where did your time go that your bearing never asked for? Name it without judging it.

03

WHAT DID THE WIND CHANGE?

A customer, a hire, a deadline. What moved that you will need to correct for?

FIRST

MATE

04

WHAT'S MONDAY'S FIRST MOVE?

One action, small enough to start before your coffee gets cold.

Ten minutes on Friday.

THREE DEGREES OF CORRECTION.

Save this for this afternoon.
